[Norice By Request.] The postponement of the Gift Concert of the Kentucky Public Library to November 30th 1874, was resolved upon to make a full drawing a certainty. There will positively be so further postponement, and the great prize will be the magnificent sum of \$250,000, no matter as to the tickets disposed of. Who will get it? What a pestered man Gov. Bramlette, of Louisville, business manager, would be, it people thought he could tell ! As it is, it requires an army of clerks to send off answers to the car-loads of letters of inquiry the Library Association receives daily at the office in Louisville."
